

◆ HISPANIC HERITAGE MONTH PARTY FAVORS ◆

It's time to say *adiós* (goodbye) to your party guests. Make sure to show them that you appreciate their participation in your *fiesta* (party) by handing out some festive party favors in cheerful bags. You can simply use plain or colored paper bags and decorate them with strips of crepe paper that you've "fringed" with scissors. You can also glue on sequins or pom-poms for some added sparkle and texture.

Suggested items to fill your bags with:

- ◆ Miniature maracas
- ◆ Glow sticks
- ◆ Colorful beaded bracelets or necklaces
- ◆ Extra Handy Manny stickers

Tip: Don't forget to send finger puppets, paper flowers, and *sombreros* (hats) home with each guest!
