

## Party Favors

You did it! Congratulations on pulling off a creative party your guests will never forget. Giving each guest simple, imaginative goody bags are the perfect way to keep them inspired to think big! Try thinking “out of the box” and put the goodies in mini-buckets, lunch boxes, or mini-tool boxes for carrying inventions and tools later and consider including:

- ✿ A small journal for “brainstorming”
- ✿ Lightbulb stickers
- ✿ Bag of fruit-and-nut snacks to fuel all that brainpower
- ✿ An unusual, wacky straw
- ✿ Colorful pencils
- ✿ Crayons and colored pencils
